

# Ooze & Tang Menu

Welcome to Ooze & Tang. Table service only.

Everything is designed to share. All dishes are served freshly prepared at staggered times.

Please order an assorted variety of dishes for the centre of the table to share "family-style."

Hi there,

This is a sample menu only.

Our menu undergoes incremental seasonal updates almost daily.

For the best Ooze & Tang experience, order food for the table instead of items for individuals. Share and split the bill evenly. We can help with how much food is too much, or not enough. Usually roughly four or five dishes between two people depending on dish size. Ask our friendly team.

In case you're wondering, our bathroom keys are on a hook near the front desk, and the bathrooms are outside past the bottle shop and to the right.
